

InCadence Strategic Solutions, founded in 2009, is a Women-Owned Small Business (WOSB) headquartered in Northern, Virginia. We specialize in providing cutting edge technical solutions, deep functional and domain subject matter expertise, operational intelligence and high-end engineering services for our Government and commercial clients. We are committed to contributing to our national security by directly supporting our Law Enforcement and Intelligence Community customers and programs. We provide our customers and teammates with strong, sound technical solutions, fresh ideas, exceptional personnel and experienced program management. We do this with the highest levels of integrity, ingenuity and commitment to ensure mission success.

INCADENCE CORE BUSINESS AREAS

InCadence has a proven track record of planning and executing the development, training, fielding and sustainment of key biometric systems for the U.S. Government. We have the ability to manage the development and delivery of the next-generation mobile biometric collection platform for the FBI, both technically and programmatically. We understand the unique requirements of building solutions for the Federal Government, to include:

- ⊕ Being Vendor-Neutral
- ⊕ Producing Flexible and Reusable Designs
- ⊕ Building Software that is suitable for Field Use
- ⊕ Integrating Best-in-Class Technologies
- ⊕ Adhering to Standards
- ⊕ Testing for Interoperability
- ⊕ Developing Solutions that are Secure and can be Accredited for Government Networks
- ⊕ Integrating with Legacy Systems
- ⊕ Ingesting Data from External Sources
- ⊕ Exchanging Data with Other Agencies
