

Technical Solutions, Professional Results.

ABOUT US

COLSA is a proven leader in innovative technologies that maintains our commitment to customer service above all else. Established in 1980, COLSA has remained steadfast in our commitment to one goal: *to serve the company's clients with dedication and excellence.*

CORE VALUES

COLSA's core values designate our culture and the way we conduct business. Our values form the premise of our organization and determine our decisions.

- ✓ **PEOPLE** are Our Most Valuable Resource
- ✓ **INTEGRITY** Should Underlie All that We Do
- ✓ **TEAMWORK** is Integral to Success
- ✓ **CUSTOMER SATISFACTION** is the Cornerstone of Our Corporation
