

UEC Highlights

- ▶ Designer of Power and Energy Storage Systems
- ▶ Complex Electronics Manufacturing
 - ▶ Circuit Cards
 - ▶ Cable Assemblies
 - ▶ Electronic Assemblies
- ▶ Established company with proven track record and significant corporate resources
 - Established in 1995
 - Wholly Owned Subsidiary of Arotech Corporation, under Greenbriar Equity Group, LP
- ▶ 14 years of DoD Military Air and Ground Vehicle Electronics development and production
- ▶ Commitment to quality and customer support
 - AS9100 REV D & ISO 9001:2015
 - ISO13485:2016
 - CMMI DEV3
 - Raytheon 5-Star & Premier Supplier Excellence Awards
 - Excellent Quality and on-time Delivery with OEM/PRIMES
- ▶ ITAR Registered
- ▶ Top-Secret Facility
- ▶ CAGE: 1MCJ4
- ▶ DUNS: 93-246-5909

UEC Highlighted Examples in Design and Manufacturing

C-130 Emergency Standby Lighting Module

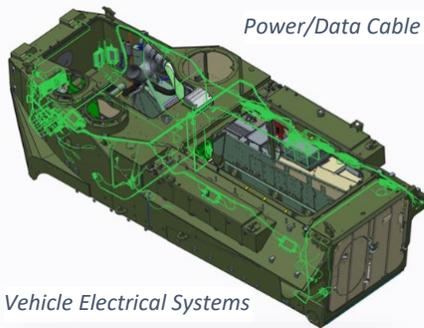

Avionics Ejectable Solid-State Drive

Hybrid Power

Power/Data Cable Assemblies

Vehicle Electrical Systems

Vehicle Electrical Components

Circuit Card Assemblies
